Roundup Ready 2 Xtend and XtendiMax are trademarks of Monsanto Technology LLC. Always follow IRM, grain marketing and all other stewardship practices and pesticide label directs. Roundup Ready® crops contain genes that confer tolerance to glyphosate herbicides. Glyphosate herbicides will kill crops that are not tolerant to glyphosate. ™Enginia is a trademark of BASF. The Enlist™ weed control system is owned and developed by Dow AgroSciences LLC. Enlist Duo and Enlist One herbicides are the only 2,4-D products authorized for use in Enlist crops. Resicore, Sonic, SureStart II and Surveil are not registered for sale or use in all states. Resicore and SureStart II are not available for sale, distribution or use in Nassau or Suffolk counties in the state of New York. Contact your state pesticide regulatory agency to determine if a product is registered for sale or use in your state. Consult Enlist herbicide labels for weed species controlled. Always read and follow label instructions.
